Memorial Day

July 4 & 6
Independence Day

Join Us For Our Annual Meeting May 14, 2019 at our Main Office

The AFCU Annual Meeting will be held Tuesday, May 14 at 5:30 p.m. at the Main Office at 610 S Abilene Street. This is a wonderful opportunity to meet staff, management, and the Board of Directors and to take a tour of our new Main Office, if you haven't been by.

If you would like to attend, please R.S.V.P. by May 10 to info@auroracu.com or with the receptionist. Light refreshments will be served. Door prizes will be awarded at the conclusion of the meeting.

Home Loans to Fit Your Needs We Offer a Full Range of Mortgage Products

A home loan from Aurora Federal Credit Union is smart because it saves you money. In addition, a home loan can be used for a purchase, refinance or just about anything else. Here are a few options we offer:

- **1st Mortgages:** Purchase or refinance with fixed and adjustable rate options available
- **2nd Mortgages:** We have a variable rate HELOC or fixed rate 2nd mortgage available
- **Mini Mortgage:** Low-cost 1st mortgage refinance for loan amounts less than \$150,000 and 50% Loan-to-Value with closing costs below \$500
- **1st Time Homebuyers Program:** Low or no down payment program for new homeowners

Visit www.auroracu.com to apply online or call 303-755-2572 to speak with a Loan Officer to find the best option for you.

Send Money with ANYONE with Popmoney from AFCU!

Popmoney personal payment service lets you **send, receive or request money from just about anyone**. You can use it to pay a friend for dinner, to chip in for a birthday gift or pay back a buddy for concert tickets - the possibilities are endless!

Since Popmoney is part of our online banking and mobile app, **it's easy and convenient to use**. With just a few clicks and someone's email address or mobile number you can quickly send money for anything. **Send money instantly from our mobile app.**

Here are some really exciting additional features: Popmoney lets you easily import your contacts from your Gmail, Yahoo! or Hotmail account. Plus, it includes eGreetings, a request money feature and payment scheduling to make it even easier to get and give money to just about anyone.

To get started, click on the Payments tab from our Mobile Banking app, or log-in to Virtual Branch at www.auroracu.com.

Live on the go,
bank on the go.

Our mobile banking app puts the highest priority on security & usability. It's ready to fit seamlessly into your life and into your hands.

- **Secure** for worry-free transactions
- **Convenient** for your busy schedule
- **Easy to use** for everyone

Download our mobile app today. **Search Aurora CU Mobile in Apple App Store or Google Play today.**

Stay Safe in a Digital World - Tips & Tricks

Keep a Clean Machine

- **Maintain Software Updates:** Current versions of anti-virus software, browsers and operating systems are the best defense against viruses and other threats.
- **Automatic Software Updates:** Many software programs will automatically update to defend against risks - use this option if available.
- **Protect All Devices Connected to the Internet:** Computers, smartphones, and other devices need virus protection.

Protect Your Personal Information

- **Secure Your Accounts:** Make passwords long & strong - combine uppercase & lowercase letters with numbers and special characters to create a more secure password.
- **Unique Account, Unique Password:** Having separate passwords for every account can thwart criminals - at a minimum, make sure your most critical accounts have the strongest passwords.
- **Write it Down & Keep it Safe:** Keep a list that's stored in a safe, secure place away from your computer or use a password manager service.

Connect with Care

- **When in Doubt, Throw it Out:** Links in emails, social media and other online communication are often how cybercriminals try to steal personal information - if it looks suspicious, delete it.
- **Think Before You Act:** Be wary of online communications that ask for personal information or advise fast action
- **Back it Up:** Protect valuable work, music, photos and other information by making an electronic copy and storing it safely.
- **Personal Information is Like Money:** Information about you, such as purchase history and location, has value - just like money. Be thoughtful about who gets that information and how it's collected online.
