AURORA FEDERAL CREDIT UNION OFFERS STUDENT LOANS

AURORA, Colo. Students can graduate with less debt and pay off their loan faster with the Smart Option Student Loan offered through Aurora Federal Credit Union (AFCU). AFCU has partnered with CampusDoor to offer the loan made by Sallie Mae to help members meet the rising cost of college. The loan offers no origination fees or prepayment penalties and saves the student money and repayment time by making small monthly payments while in school.

“It’s estimated that a typical freshman can save 30 to 50 percent on finance charges over the life of the loans,” says AFCU President Jeff Holler. “In today’s tough economical times, we are proud to offer our members an education solution that won’t leave them drowning in debt after graduation.” Jerry Maher, senior vice president of Sallie Mae, comments, “Sallie Mae is delighted to partner with Aurora Federal Credit Union and CampusDoor to assist families seeking responsible solutions to make the investment in a college education.”
